An eligible internship is one that requires the borrower to hold at least a bachelor's degree before beginning the program. In addition, the internship must meet the criteria for either A, B, or C.

A) The successful completion of the internship must be required by the state licensing agency as a prerequisite for certification of the individual for professional practice of service. For this type of eligible internship, the borrower must provide the Kansas University Endowment Association with the following certification.
   1) A statement from an official of the appropriate state licensing agency indicating that the successful completion of the internship is required by the state licensing agency as a prerequisite for certification for professional practice or service.
   2) A statement from the organization where the borrower will be an intern certifying that attaining a bachelor's degree is required to be admitted in the program.
   3) A statement from the organization where the borrower will be an intern indicating that the borrower has been accepted into its internship program and certification of the dates when the borrower is expected to begin and complete the program.

B) The internship or residency program must lead to a degree or certificate awarded by an institution of Higher education, a hospital, or health care facility offering postgraduate training. For this type of eligible internship, the borrower must provide the school with a statement from an authorized official of the internship program certifying the individual must have a bachelor's degree to be admitted in the program. The borrower has been accepted into the program and the internship or residency program leads to a degree or certificate awarded by an institution of higher education, a hospital, or health care facility that offers postgraduate training.

C) A borrower enrolled and in attendance as a regular student in a course of study that is part of a graduate fellowship program through the University of Kansas may defer payments. A borrower engaged in graduate or postgraduate fellowship-supported study through the University of Kansas outside the United States may defer payments.
